

NONCONFORMING UTILITY EASEMENT ENCROACHMENT NOTE

Nolin RECC would prefer that no structure or fence be placed within the utility easement. However, if a structure or fence has been placed within the easement and if any such structure or fence constitutes a code clearance or safety violation, then the matter must be addressed accordingly. Nolin RECC in no way relinquishes any of its rights to utilize its utility easements and in no way will be responsible for any damage to any structure or fence which may occur as a result of actions taken by Nolin RECC personnel or equipment in the performance of their duties. Furthermore, the property owner must provide for access to Nolin RECC to its utility easement. It is understood that in an emergency situation, Nolin RECC may not have time to notify the owner and may have to remove any structure or fence within the established easement in order to perform its duties.
